Wed Mar 15,

Dearest Darling,

no matter how hard I try I can never seem to be able to manage to go to bed before midnight. And it is midnight already.

I went to the show to-night with Dolly & Lena. I wanted to iron, but I was too tired and I thought perhaps a show might relax me and then I stopped up to Lena's and had a sandwich and before I knew it, it was almost midnight. So that's how my time passes.

To-day when I came home for lunch Phil drove me home and Lena came along too and so I asked them both up for a cup of coffee and so they both came up with me and then when it was time to come back Phil drove me back. It was nice to have some one here with me while I ate. Sometimes it's kind of lonely eating alone. That's one thing I miss in not having you around. At night, sometimes I get kind of

hungry, but I hate to fix something  
just for me alone. But if you  
were here I wouldn't mind it.

Darling, I hope I'm not getting too  
optimistic but I am so looking  
forward to your coming home.  
Oh Baby it's going to be swell to  
be in your arms again. And  
you will kiss and caress me in  
just the way I love. Sweetheart,  
I love you so very much, you are  
so dear to me.

Darling, I must be getting to bed  
before I fall asleep on this letter.  
I'm sending you bushels of hugs  
and kisses and all my love,  
your Dean,

Frank
